WebTownHall.com – Internet Portal©
Your Presence on the Internet

The newest web information management innovation from IMAS, llc, allows multiple office functions to be easily undertaken from *anywhere*

- Municipalities maintain **their recording information and images locally, in their own offices**
- IMAS *automatically* uploads updated information, according to parameters defined by the clerk, to the IMAS Internet server
- All searching is executed over the internet at ***WebTownHall.com©***, eliminating any and all threats to your local computer system and files
- Searchers, Attorneys, and anyone needing to view indexes remotely can access your records through ***WebTownHall.com©***
- All fees and subscriptions will be set and collected electronically by you through the merchant services of ***WebTownHall.com©***
- Anyone can view their information remotely, pay bills, complete applications, permits and requests, or undertake City Hall business

With ***WebTownHall.com©***, you can elicit and serve the public efficiently from any location, satisfy the July 1st mandates, and execute any of these programs remotely:
