Douglas, MA 01516

Re: **Bailey**

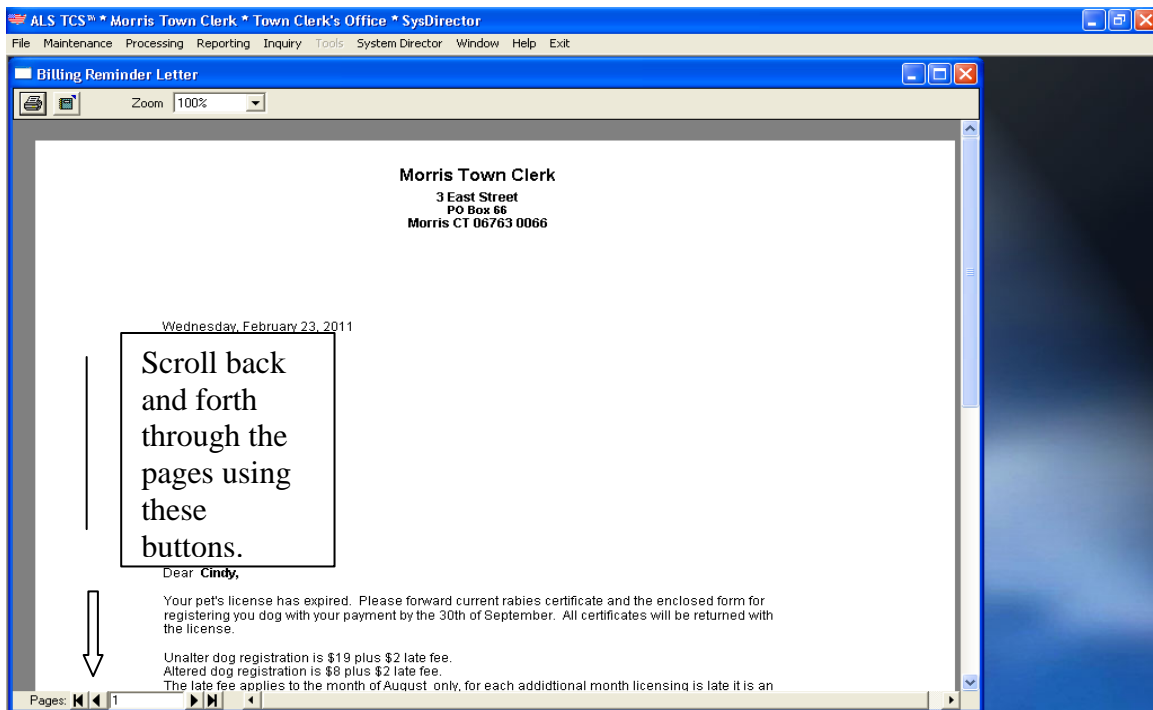

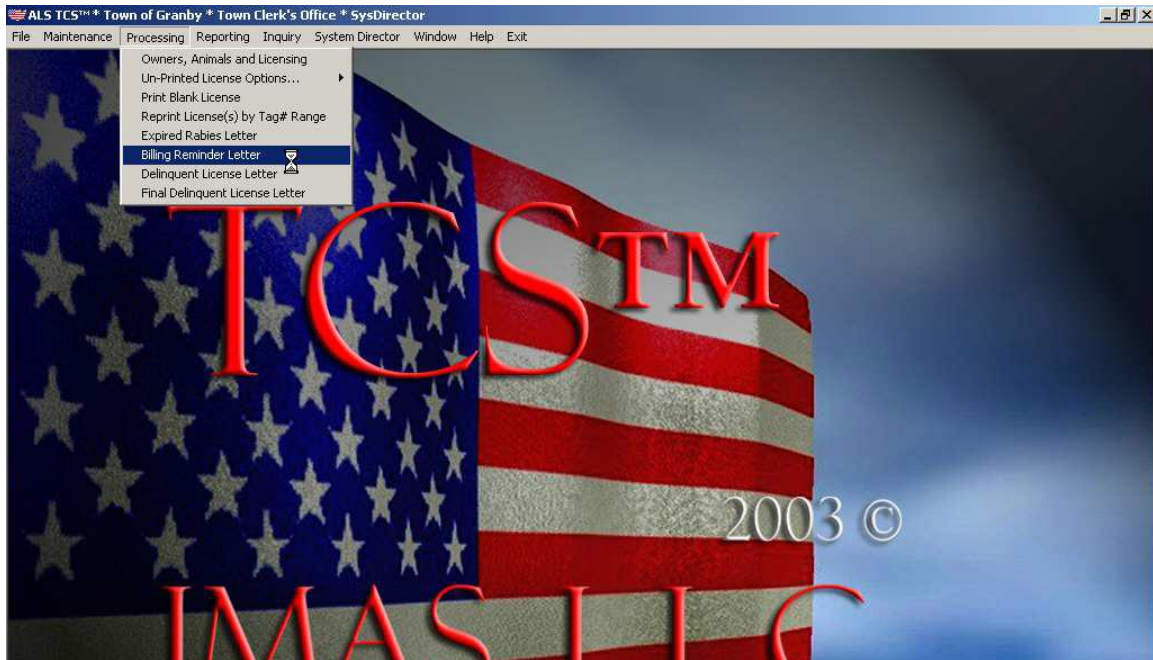

Dear **Ed**,

In reviewing our records, it seems that your animal's rabies vaccination has expired. We will need a copy of the new and current rabies certificate at your earliest convenience.

Please feel free to call with any concerns that you may have. Our phone number is (508) 476-4000. Please bring the certificate to the Town Clerk's office, as it is important to update our records and notify the animal control officers as to the status of your pet. The request is due to the great concern for the ever-increasing rabies problem here in the state.
