Town of Morris
Introduces the

SEARCHING LAND RECORDS and
CONDUCTING all MUNICIPAL BUSINESS ON-LINE

The Town of Morris has joined forces with IMAS, llc, to streamline an easy-to-use web portal that will allow anyone needing access to land records — including, but not limited to attorneys, bankers, and realtors — the ability to search records on-line, anytime, from any place.

All searching is executed at WebTownHall.com© Records and data are automatically refreshed overnight, so information is always current, and because public access to records is done through the IMAS, llc, dedicated server, there is no danger of corrupting or compromising the system.

With WebTownHall.com©, the public can efficiently access town records from any location, and execute any of these municipal functions on-line:

- animal licensing renewal, public, ACO and police inquiry
- vitals registry — indexes and requests
- cemetery deeds and maps with driving directions and burial transit permits
- business licensing — dba/certificates
- military discharges, aka DD214
- business licensing and municipal permits
- town documents, meeting minutes, agendas, boards, commissions, etc.
- remit tax, utility, permit, sticker payments; p&z application fees; park & rec registrations; and non-criminal offenses
